Welcome

The North American Championships are sponsored by the United States Biathlon Association and Biathlon Canada.

Ethan Allen biathlon facilities were originally built to be a state of the art facility and remain one of the top biathlon centers in the United States. The facilities include a 30 point range, more than 18 kilometres of established trails, snow making, waxing huts, 6 kilometres of paved and lighted roller skiing a large meeting building as well as toilet facilities, showers, and a kitchen, and a separate building at the finish line dedicated to timing operations. The range is located approximately 30 minutes from Burlington, Vermont, a beautiful city with a population of approximately 39,000 situated on the shore of Lake Champlain and the edge of the Green Mountains. The area is easily accessed by Burlington International Airport with regular connections to major airline hubs and can be reached from most of the Northeast by interstate highways. The area is known for its outstanding recreational activities.

Rules

International Biathlon Union Event and Competition Rules will be in effect for this event, except as specifically modified by the Organising Committee or Competition Jury. Any modifications to the rules will be discussed at the Team Captains Meeting. The organising committee reserves the right to modify the parameters of the event based upon local conditions such as weather and trail availability.

Competition

The competition will include a Sprint race on Saturday, and a Pursuit style race on Sunday for all athletes except Seniors who will race a Mass Start. Driving Directions

Interstate 89 is a toll free highway between Boston and Montreal. Route 7, a major north/south artery, links western Vermont with Massachusetts, New York and Quebec. Route 2 bisects Vermont westward to New York State and eastward to New Hampshire and Maine. Each of these major routes passes through Burlington, Vermont. Jericho and the Ethan Allen Firing Range are located approximately 15 miles (25km) northeast from the center of Burlington. From Burlington, Winooski or Williston, follow VT Rt. 2A or VT Rt. 15 to Essex Junction and then VT Rt. 15 to Jericho, then follow Lee River Rd. to Ethan Allen Firing Range.

Once at the base, pass through the entry gate and onto new pavement. Take second right onto dirt road just past "Red House". Continue up the main road to the top of the hill (approximately 1 mile). Please obey the posted base speed limit of 25 mph. There are many army personnel walking on the roads as well as army vehicles. Anyone who is caught speeding will be asked to leave the base. They are serious about this!! Public transportation to the venue is not available. [Google Map](#). Caution - GPS devices do not always get you to the correct entrance!
