Welcome

The Ethan Allen Biathlon Club and the Vermont National Guard invite you to attend the 2019 US Biathlon National Championships at the Ethan Allen Firing Range in Jericho, Vermont on March 29th thru 31st, 2019. The National Championships are sponsored by United States Biathlon Association.

Ethan Allen biathlon facilities were originally built to be a state of the art facility and remain one of the top biathlon centers in the United States. The facilities include a 30 point range, more than 18 kilometres of established trails, snow making, waxing huts, 6 kilometres of paved and lighted roller skiing, a large meeting building as well as toilet facilities, showers, and a kitchen, and a separate building at the finish line dedicated to timing operations. The range is located approximately 30 minutes from Burlington, Vermont, a beautiful city with a population of approximately 39,000 situated on the shore of Lake Champlain and the edge of the Green Mountains. The area is easily accessed by Burlington International Airport with regular connections to major airline hubs and can be reached from most of the Northeast by interstate highways. The area is known for its outstanding recreational activities.
