Welcome

The Ethan Allen Biathlon Club and the Vermont National Guard invite you to attend the 2019 US Biathlon Rollerski National Championships at the Ethan Allen Firing Range in Jericho, Vermont on August 16th thru 18th, 2019. The US National Championships are sponsored by the United States Biathlon Association.

Ethan Allen biathlon facilities were originally built to be a state of the art facility and remain one of the top biathlon centers in the United States. The facilities include a 30 point range, more than 18 kilometers of established trails, snow making, waxing huts, 6 kilometers of paved and lighted roller skiing, a large meeting building as well as toilet facilities, showers, and a kitchen, and a separate building at the finish line dedicated to timing operations. The range is located approximately 30 minutes from Burlington, Vermont, a beautiful city with a population of approximately 39,000 situated on the shore of Lake Champlain and the edge of the Green Mountains. The area is easily accessed by Burlington International Airport with regular connections to major airline hubs and can be reached from most of the Northeast by interstate highways. The area is known for its outstanding recreational activities.

Rules

International Biathlon Union Event and Competition Rules will be in effect for this event, except as specifically modified by the Organizing Committee or Competition Jury. Any modifications to the rules will be discussed at the Team Captains Meeting. The organizing committee reserves the right to modify the parameters of the event based upon local conditions such as weather and trail availability.

Competition

The competition will include a Sprint race on Saturday, and a Pursuit style race on Sunday for all athletes except Seniors who will race a Mass Start. In both races, Seniors and Juniors will carry rifles and not do range loops until the finish. All other classes will leave rifles on the racks at the end of the range and do a short range loop after picking rifles up before shooting.

Sprint Competition (Saturday): For all classes the Sprint competition will be conducted with a 30 second interval start, with starting order determined from a random draw within the class.

Pursuit/Mass Start Competition (Sunday): Senior Men and Senior Women will race a Mass Start and will be seeded at the start (on the range) based upon the previous days Sprint result. All other racers will race a pursuit and will start with a 5 second interval, with starting order determined by the previous days Sprint competition result. Athletes who did not take part in the Sprint will be drawn randomly to determine starting order after the last qualified competitor in a given class. The pursuit results will not be normalized for finish order and awards (i.e. first racer to cross the finish line in a race category is the winner).

Schedule of Events

The course will close 5 minutes before the start of the races and will not reopen until all competitors have completed the race. Note that these races start earlier than is typical to try to avoid the heat that has plagued us in the past. Bring running shoes to warm up and warm down in.

Route 2 bisects Vermont westward to New York State and eastward to New Hampshire and Maine. Each of these major routes passes through Burlington, Vermont. Jericho and the Ethan Allen Firing Range are located approximately 15 miles (25km) northeast from the center of Burlington. From Burlington, Winooski or Williston, follow VT Rt. 2A or VT Rt. 15 to Essex Junction and then VT Rt. 15 to Jericho, then follow Lee River Rd. to Ethan Allen Firing Range.

Once at the base, pass through the entry gate (everyone will be asked to show identification) and onto new pavement. Take second right onto dirt road just past "Red House". Continue up the main road to the top of the hill (approximately 1 mile). Please obey the posted base speed limit of 25 mph. There are many army personnel walking on the roads as well as army vehicles. Anyone who is caught speeding will be asked to leave the base. They are serious about this!!
